August 18th – August 25th, 2017

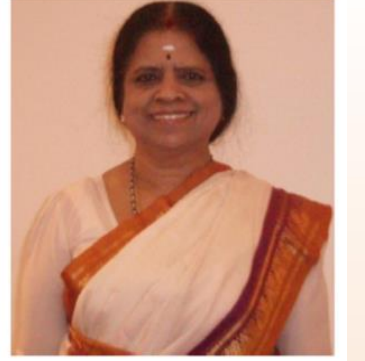

Venue: S.V. Temple, 26233 Taft Road, Novi MI 48374

In just seven days, the sage Suka taught King Pariksit the entire liberating knowledge of Vedanta, as recorded in the work of Bhagawan Vedavyasa we know as Srimad Bhagavatam. Bhagawan Sri Vedavyasa recorded life and times of Lord Shree Krishna in Srimad Bhagavatam and captured the quintessence of Bhakti (Devotion) and Jnana (knowledge). Thus, we have the tradition of recounting the entire Srimad Bhagavatam in a seven day period.
